2008 Annual Membership Drive

Many special thanks to all those who helped with this year's membership drive. We were all surprised with all the challenges we met with the loss of our old system, and I appreciate all those who graciously stepped up to provide extra support for the DMNA.

We plan to produce the neighborhood directory as soon as we can. We still have a great deal of work to do, and we need to find volunteers to help with the publication. I believe we can make next year's drive easy, early, and efficient with a web-based membership system that will allow us to keep a database for easy updating each year, secure online dues payments, increased communication about relevant neighborhood issues, and a way to keep and organize our information from year to year to produce a printed directory.

Our Area Reps and Block Captains are integral parts of our newsletter distribution

and membership drive system, and we want to make the system as organized, easy, and enjoyable as possible. We'd like to keep the traditional system in place as well so that we can enable each of you to join in whichever way is easiest for you. E-mail dmna.membership@gmail.com with your ideas and let us know that you support our Membership Committee volunteers who are working to make the DMNA an even better membership organization! It cannot happen without your personal support. Please e-mail us today.

Have you missed your Block Captain's visit? It's not too late! You can still join. Fill out and mail the membership form at the bottom of the enclosed Annual Meeting flyer or e-mail dmna.membership@gmail.com and we'll send you the membership materials you'll need to join. If you have your materials but haven't

submitted them yet, mail them directly to Laurie Poast, Membership Chair, 3730 Gregory St.

Membership Is Strong

Final numbers aren't in yet, but the number of members, Capital Fund contributions for our Monroe Street and Sequoya Public Libraries, and volunteer responses have been fantastic so far! It's all due to your generous support. Thank you!
