

Annual Lake Wingra Cleanup

Saturday, June 17, 9:30 am - Noon

Wingra Park Boat Launch

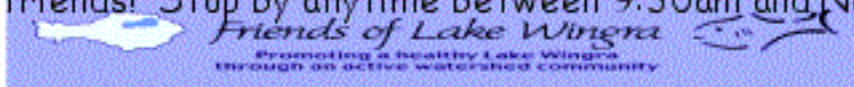

Annual Clean Up
is the morning of
Jazz in the Park!

Join your neighbors in removing debris from Lake Wingra!

Free life jacket and boat rentals, compliments of the Wingra Canoe & Sailing Center, will enable you to choose a lake section near or far from the park. Please bring work gloves (preferably rubber) and a tool to reach trash in the water, like a garden hoe or a rake. Trash bags will be provided.

Participants can also use microscopes in the park to view some of the lake's smallest plants and animals. This event is bound to be an educational, helpful, and fun prelude to Jazz in the Park. Bring family and friends! Stop by anytime between 9:30am and Noon and help keep Lake Wingra healthy & beautiful.
