SUNDAY, MAY 17TH 10:00 AM - 2:00 PM

ATTEND OUR SECOND ANNUAL WEED FEED at

GLENWOOD CHILDREN'S PARK

This fun & unique community gathering brings together park restoration efforts with creative cookingemphasizing the "party" in "work party" !

The first Weed Feed was a great success with dozens of delicious weed-inspired dishes like Knotweed Apple Pie garnished with Wild Violets; and Garlic Mustard & Artichoke Lasagna. Delectable 'professional' weed haute cuisine was generously donated by **Dardenelles Restaurant & RP's Pasta**. Over 100 participants were serenaded by live blue grass music as they eliminated garlic mustard from Glenwood Children's Park!

Contributing a dish or helping with weed-pulling entitles you to join the food tasting fun. A limited number of weeding tools will be provided. Please come prepared with picnic blankets, gloves, hand trowels for digging, & weather-appropriate clothes and footwear.

A Children's one act play is being staged this year **"A Case of Garlic Mustard"**
Or, **"Where Have All the Flowers Gone ?"**
