### **2022-23 DMNA Officer Election**

Diego thanked the Nominating Committee (Lisa, Tracy, Lewis and Daryl) for their work. Since no other candidates volunteered to run and there were no nominations from the floor, the officers for re-election were Diego Saenz (President), Shawn Schey (Vice President), Catherine Jagoe (Secretary) and Dennis Trest (Treasurer). They were re-elected by unanimous vote.

### **PROGRAM**

Teri Venker, a volunteer docent and researcher for the Madison Trust for Historic Preservation, gave an excellent presentation on the Native American mounds around Lake Wingra, accompanied by slides. She noted that the Charles E. Brown, the historian who dedicated his life to advocating for preservation of the mounds, lived on Monroe Street. A summary can be found in Teri's article in the Spring 2022 *Hornblower*. In the Q&A section, she mentioned that she leads tours of the large mounds on the site of Mendota Mental Health Institute on the north shore of Lake Mendota, and several people expressed interest in having her lead a tour for DMNA residents later this year.

Attendees enjoyed pie and refreshments and chatted after the presentation. The meeting ended around 3 pm.
